If you have not, you must. Visit the Wallace Collection in London. Not only is it a fine collection of works of art, paintings, furniture, porcelain, but the wonderful tea-room is alone worth a visit. See also: The Wallace Collection website

## "The God delusion", by Richard Dawkins

Why read this book? These excerpts speak for the book: [Referring to Julia Sweeny ] My first call from my mother was more of a scream. 'Atheist? ATHEIST?!?!' [...] I think that my parents had been mildly disappointed when I'd said I didn't believe in God any more, but being an atheist was another thing [...]

### Travelling by ferry to Loutro

I love travelling to Loutro on these old ferries... Somebody said: ferry travel

is the most relaxing and enjoyable form of travel I agree!
